In 2014, Crescencio and Miguel, two brothers from northern Mexico, opened their first Cinco's Cantina in Dover, NH, with a dream rooted in family, tradition, and the flavors of home.

Many of our recipes come from their mother's kitchen- where as children, they watched her cook over a wood-fired stove, learning that food was never just food, but a way to bring people together.

Cinco's is more than a place to eat- it's where Taco Love lives, in shared meals and meaningful moments. Giving back is part of who we are, and since 2014, we're proud to be on track to donate over $100,000 to our community by the end of 2026.

Thank you for being part of our story and for helping us share the Taco Love.
